## MEDICAL OFFICER'S REPORT.

The area of the district is 2,410 acres, it is divided into five wards, viz.: Poulton North, Poulton East, Poulton West, Hardhorn and Carleton. It is bounded on the North side by the Urban District of Thornton-Cleveleys, on the East and South by the Parishes of Singleton and Hardhorn-with-Newton, and on the West by the County Borough of Blackpool.

The district is mainly residential, and most of the industrial population is employed by agriculture, the Imperial Chemical Industries, the British Railways and the Building Trades.

The area is supplied with good and wholesome water by the Fylde Water Board. The whole of the area is sewered on the partially separate system; and is carried by gravitation to storage tanks situate on Skippool Marsh, and discharged into the River Wyre Estuary on the ebb tide.
